

Biven's Declaration of Prior Sworn Allegiance

(We aren't barring anyone from our meetings, we just want to know who you are.)

This meeting is private.

Bearing false witness, misrepresentation, and posting inflammatory rhetoric in any forum is forbidden and shall be addressed in an appropriate manner.

To eliminate all conflict and false allegations,

Is there anyone in attendance at today's meeting who has an oath to, or is a member or agent of any law enforcement

or agency of any federal, state, county, city government, or other agencies, or any other organization

that might seek to promote, protect or preserve itself by undermining the efforts of OSJA or any of its members?

Is there any response to the Biven's Declaration for the first time?
