Open Old Business – Ross motions, Cristina and Joe second

Old Business:

-Michele reads minutes from 2/7/23;

-vote to accept minutes as read: 5 yeas, 2 abstains

-Treasury update from Michael – no changes

-Public Affairs update from Cristina:

-Cristina has handled any fall out from her interaction with Sean Bellar;

-need to follow up with Kat about posting information on vaccine shedding affects on Telegram;

-Charley is in debug mode; he's debuggging circular errors;

-Dave will be on podcasts and will be pointing people to the website so Charley is under pressure to get site up;

-Dave will be on Stew Peters show;

-Michele G. (Cuyahoga) asks if Dave's tour schedule can be shared on Telegram? Response: no one really has the specific details of his schedule at this time;

-Michael asks if Charley is on an Agile schedule where website components will go live in a phased approach? Response: no, Charley is providing the scaffolding for us and we need to fill it in;

-until Charley is done, while Dave is on tour, can we have the website show a message like "still under construction"? or have some basic OSJA information?

-Michael provided a Google form for Cristina to pass to Charley to be used on the site to collect information from site visitors who want more information; this will allow us to connect with interested people even before the site is live;

-Ross asks if there are any water test comments?

-Michael states that Francesca is doing water tests; also there was a call into a lawyer who has sued Dupont and his admin said he is already working on it; some people are doing notices to public officials; he'll be talking with nurse who was vax injured on Thursday;

- Michelle (Tuscarawas) mentions that many freedom groups with the same interests all seem to meet on the same night to it's difficult to attend a variety of meetings;

Close Old Business - Michele motions, Cristina seconds

Open New Business – Michele motions, Michael seconds

New Business:

- Columbiana County is ground zero for derailed train/chemical leak;
- reminder that we are in a disinformation war so be vigilant about sharing only verifiable facts;
- Cristina says Dave Roberts went on Feb 5th and saw HazMat arrive (2 days after the derailment), and they were in street clothes;
- Michelle (Tuscarawas) says people 1.5 miles away in opposite directions are having different experiences;
- discussion about East Palestine and train derailment/chemical leaks continues (see recording);

- review of Michael's Google form was done;
