Old Business:

-Michele reads minutes from 5/2/23; vote to accept minutes as corrected: 8 yeas, 1 abstain, 0 nays;

Corrections to 5/2 minutes:

-Michael: *Sound of Freedom* is the film on child trafficking, not *The Chosen*.

-Ross: this statement "Ross says that OSJA site will link to Amanda's page and/or videos" should be "...OSJA *could* link to Amanda's page";

-Michael – Treasury update: Kat gave \$100 towards website, which she mailed to Summit County COS P.O.Box;

-we are reminded that going forward, we need to be as private as possible; we are private and being private should be our goal; check or money orders should be addressed to the man/woman to whom the money is being given; addressing a check or money order to "COS" puts COS in the public;

-Public Affairs update:

-Ross shared link to Kat's video & plays first & last 10 seconds; Cristina motions to accept putting video on website;

-discussion takes place about fully loading website and then voting to accept what is loaded vs voting on each piece of content before it is loaded;

-Michael suggests making the Public Affairs Chair the moderator of what is on the site so the site content can be loaded without delay of voting on each piece; then if anyone has any concerns with any content can raise their concerns in the meetings;

-Cristina reminds us that it is our website so if anyone sees anything they do not like, they should speak up;

-Negotiable Instruments: Kathy says Melissa Daily has idea to get a few people together to get this process moving; she has a printer and would print checks for people;

-Common Law training: Michael did not attend Monday meeting; he was on another meeting about Claremont County wanting to look into use of covid grant money, and how health community got bonuses;
