We discussed the fact ⁽³⁾ that The Supreme court has jurisdiction over the governor and we have been unable to find his bond. We pondered contacting the Supreme court.

This discussion led to Colonel Cross & Randy ~~to~~ advising the Assembly against further action going after the governor or any other elected official. They strongly suggest we build ~~of~~ C.O.S. and educate ourselves on the state constitution.

Kelli put a motion on the floor to have a 10 am Sat. education call. Paul 2nd ~~ed~~ the motion. ^{on Oct. 2nd, 2020.}

Summary.

11/3 Tuesday.

Robin, Bivens,

Role call, Minutes,

discussion of emergency meeting
Nov. 2nd 2020, the online notices.

The online publishing portion of
the notice - was refused.

We decided NO; suspended the
newspapers - decided to go with
Craigslist for \$5 per ad.

We were planning to run our ad
in the legal ~~per~~ section of ~~the~~ 2
newspaper that would circulate
Statewide online; due to a fork
in the road we have agreed to
post our ad on Craig's list. This is
even better because of the lower
cost -

3 owls will print out the
Craigslist ads & notarize them &
then she will - send them out
to us or have 3 witnesses sign

The document. Once notarized & witnessed. ~~They~~ It will be taken to Summit County to be recorded and added to the case on the public record.

We will not have the affidavit of publishing, however the notary will suffice / replace.

From Doreen: Hawaii Assembly.
settling - Rodger liked idea.
How did you get started?

After ^{recorded} settlement requirements met.

- Three Owls - notary.

• Next, discussing the Remonstrance -
DeWine - no answer - ignoring
Does not need a bond -
his jurisdiction is the Supreme Court.

We were pondering sending the Remonstrance to the Supreme Court.

We don't have the Grand Jury up & running yet. We are in

a jury pool - due to signing the
Tulalup Covenant - until there is a
case - no Grand Jury needed

The Supreme court has
jurisdiction over Delwaine

send his oath

the Remonstrance

the notice of Assembly being ^{settled}
The pass - piece of paper on top
can't be covered.

Discussion

leads to

RANDY.

~~THE GRAND JURY~~

foreman → Commissioner
Knowledgeable

We are discussing Grand Jury;
presenting to the Supreme Court;
what happens to the bond?

The Supreme Court is Delwaine's
overseer. They won't act until
we make a claim

They see all this fraud -
will not act until we send
the Remonstrance -

Call a Replevins

Supreme court is De Facto -
act in common law -

if they don't act - They have
broken subversive activity law.

Supreme court has 21 days.
to bring judgement against -
DeWine - no response = treason

get 3 counties, then we
are De Jured. in those
counties.

Dave says - we can form
Grand Jury now - bring indictment
against DeWine -

More powerful than the Assembly
accusing him.

Gives us 21 days once we send the Remonstrance to the Supreme Court.

Elect the Commissioner.
picks out the jury pool
Assigns the 4 investigators.

25 members $1/25$. 3 year position

end of 2nd year - appoint a 2nd Commissioner - he trains him.
appoints the members that he needs.
can choose outside of Assembly too.

Gary says form Complaint as a Replevisis - not Complaint, Remonstrance - don't create an argument - State damage - & how to make whole -

DeWine - search for bond.

Maybe private insurance

When a proper claim is put in front of "his boss", the Ombudsman has the authority to go inside his private trust - to be sure that he is

going to be covered by whatever
the S. Court decides

private ombudsman
private

Col. Robert Cross
jumps in + Randy.

"We are jumping the gun +
going after the governor
before we have any ass to
back it up."

"That's a start"

We shouldn't be going after
the government on that.

We should be forming our
committees of safety not
going after people

Our founding fathers risked life, liberty + property to
do it.

We are not risking any less.
They had all their committees

set up before they took action/
went after anyone

you need all 88 counties of COS

Build, Build, Build.

Common law will not back
us up - it has no place in
the Constitution

Do you understand

Randy Mackarens helped
write the COS website + 2 PDFs
how to form the COS
must form the correctly.

Putting the militia on the
hot seat, at risk

Knows about Constitution OHMM
+ his brother

Risking the life of
the militia.

Don't foolishly waste my life.
Turning the gun.

Are we at the point in our history, where a Revolution is justified?

Recently had a 3 week debate

- Gary Hunter - phone

He won the debate; not everything has been done
our founding fathers -
we had not activated our
COS^s

part of our English history
for 100^s of years

Cromwell used COS to take ^{Control} ~~down~~
of Parliament in the 1600^s

Hancock - president of Parliament
at the time - upon signing of
the declaration of Independence
called on the immediate activation
of COS COC ^{correspondence}

they were established,
militia established, supplied

We don't have that anymore

They haven't been formed
correctly.

The COS are to be based
upon townships.

MUST follow process -
at Square Zero,
need to form committees,
elect officials

Robin says - - - -

Florida is having successes
without COS formed. Just Grand
Jury.

Randy, what does the FLA
Constitution say about

each state own constitution -
How are they different?

Has seen people form Grand
Juries & go to jail, serving 15 to 20
years -

Montana Freedman
were gonna form De Jure
grand juries, De Jure trials,
they convicted the governor,
treasurer - jail for convening
Illegal Courts.

we are

Ohio State
Constitution

That is your document

Your law -

only 7 things added to it.

Original, everything added
that is lawful is valid

We the people of the state

88 counties, citizen with full
blown rights we need to be
representative of - can't work out
of system.

We the people - gave the
State the authority to
form government & we
gave that government powers

the government can do, anything
it wants within the bounds of the
Constitution & within the constitution
it lays out - each government branch &
its powers & what it can/cannot do

Art. I Section. 8(A) congress -
those 22. enumerated ~~then~~ powers

that is all that they can do -

Can make NO law outside of
those 22 because its unconstitutional
Null & void if unconstitutional
laws they make -

There is 1 constitution
What does the constitution
say about Grand Juries? That's
where you start -

We are looking to
Michigan & who cares what
they are doing? We are not the
same - Must follow the OHIO
Constitution - each state is separate -
~~the~~ - Build a foundation -
People, units, chapters.

Read Constitution

Read committee.org

Do it the right way -

Continue to gather evidence

Make claims, don't sue -

Supreme Court -

Common law - past rulings
no separation of powers. Rubus
of our life

The court will not change
We must set up COS, 200 years
deep in tyranny. Washington,
Hamilton before dry ink, being
battered, broken by 2 governments
that has no respect for it.

foundation -

Infrastructure

Constitution was written for

monarchs -

need more
people -

Doreen - 88 reps in 88 counties

Melissa Akison

Constitution - created to restrain
government

This is all you can do -

Senate -

Congress -

U.S. constitution say the
Senators shall be - Selected by the
state legislatures to represent
the state, not we the people -
The State of OHIO -

Congress represent we the
people -
their to protect - we the people's
Rights.

All power of the gov.
comes from we the people -

get our countries going this
happend in 258 yr. to tyranny

Question?

If unalienable rights -
trump the constitution -

~~who are~~ How does the
constitution pertain to we
the people?
