

OSJA Grand Jury Commission

Common Law Jurist Training

Weekly Zoom Call

Study Notes – Saturday 03/29/25

As recorded by Cristina, OSJA

GOAL: *exist in peace, eliminate controversy - restore honor – operate wholly in the private.*

Further details should be gleaned from viewing the recording of this open discussion.

THESE MEETINGS ARE NON-POLITICAL, NOT RESTRICTED TO MEMBERS OF ANY SPECIFIC ORGANIZATION, OR RELIGION; CONTINUITY OF EXISTENCE FOR THE LAWFUL OHIO STATE JURAL ASSEMBLY IS A SECONDARY FOCUS.

THIS TRAINING IS DESIGNED TO EDUCATE ALL MEN AND WOMEN ON THE LAND IN WAYS TO RETAIN SOVEREIGNTY, BECOME SELF-GOVERNING, EMBRACE COMMON LAW AND THE TRADITIONAL MORALS AND ETHICS WHERE EVERY MAN AND WOMAN HAS AN EQUAL RIGHT AND RESPONSIBILITY TOWARDS THEMSELVES AND MANKIND.

The foundation of this all is that there are only two laws given by God to mankind – do no harm and do not trespass.

These meetings are to maintain continuity of OSJA, practice, and preparation for Common Law activities; these minutes act as the Ohio State Jural Assembly informal jury training ‘handbook of application(s).’

Common Law : the historically known system of God’s law all the way back to and including the Magna Carta, not codes and statutes.

Peer : one who shares sufficiently experience and knowledge as the one bringing the claim such that they can be considered similar enough in mindset to adjudicate in a fair and equitable manner.

- I. *Today's topic was a real-time interview with a woman who experienced three vax related deaths in her family in 2020 as well as many shedding experiences. Physical, psychological and spiritual aspects are revealed. Lengthy discussion was had.*
- II. *The idea of an 'informal' experiment that could be conducted by the public was posed:*

➤ *Whether or not your dog/cat is vaccinated, observe without interference, the way they react to men and women who are vaccinated. Document these real-time interactions (with as much detail as possible) over a period of time (at least three observations over at least 4 weeks) and submit your observations in writing to a central data collection point (email to comsec@ohio.juralassembly.org) for a larger evaluation. (All documents to be stored as anonymous submissions reflected only with a number known to the comsec (no names or locations), kept electronically without tracking information of the test subjects; on the 'back office archive' of the website, unpublished, and continually evaluated & statistically compared by Michael for his periodically posted reporting.)*

- *Bill Gates presented the idea to an MIT class (and or possibly an alphabet agency meeting?) about the affects of certain formulations of injected chemicals on the brain to permanently reconfigure or mute religious responses – video needs to be located. (Charley?)*
- *The National Radio Quiet Zone (NRQZ) is a 13,000 square mile area in the United States where radio transmissions are restricted to facilitate scientific research and military intelligence gathering. This zone spans parts of Virginia, West Virginia, and a small part of Maryland. About half of the NRQZ is in West Virginia and the other half in Virginia. The Green Bank Observatory in Pocahontas County, West Virginia, and the Sugar Grove Research Station in Pendleton County, West Virginia, are key facilities within this zone;*

III. *Update on the Fairfield County Board of Health (Ohio Board of Health) claim process, notices, and future actions. Resignation of the head nurse on the local BoH (Crystal Warner – she had always opposed promoting vaccines). Conversation with Brian Oliver, a County Trustee, sits on the County Board of Health; he revealed that he, too, has always opposed promoting vaccines. Mr. Oliver had wanted to encourage the use of Ivermectin in 2020 but 'got shot down' by all the other members of the BoH (who are all state certified medical doctors). In depth conversation on this and many other aspects of the claim, and the mechanics of carrying out the hearing is had.*

See Recording.

IV. The required details for finalization of our Presentment document is discussed in depth. While each man/woman who did present should complete their own (3 sentence maximum) summary, assignments on the remainder will be forthcoming via email from Beverly.

Conclusion: Each participant and those reviewing these meetings after the fact are asked to extract information from the study materials, along with each aspect we have discussed, with an eye to making the language of the texts we are reviewing more generally understandable, the idea of juror participation less complicated/more modern-day embraceable to the general population. All suggestions and comments should be forwarded via email to comsec@ohio.juralassembly.org for distribution to the correctly responsible member of the GJC.

Everyone participating in these calls, reading the minutes and watching the recordings is called to action in recommending any source of additional guidance and information that could help us be more effective!

Written minutes, the recordings of these calls and links to future meetings will be posted on the website, the Telegram social media page, and forwarded to the email addresses provided to the Grand Jury Commissioner.

Meeting is adjourned at **12:27 pm**. Next meeting scheduled for Saturday, April 04, 2025 at 10 am. Additional meeting is scheduled for next week, Saturday, at 2pm to interview a gentleman. via this Zoom link: <https://us06web.zoom.us/j/bUPOb.1>
