I think Gary was saying that once the affidavit time limit for rebuttal has expired, if you can't get the clerk to record on the docket, THEN you attach the unrebutted response as an evidentiary attachment to your statement.

20:16:14 From Kimberly Georgeton to Everyone:

Is this instruction fully documented so that we can share with others?

20:16:30 From Kimberly Georgeton to Everyone:

Also, is the mock trial still happening on this Sunday up in Delaware?

20:17:19 From Cristina to Everyone:

If it's attached to a police statement as evidence the unrebutted affidavit becomes evidence.

20:22:48 From Ross Marley to Everyone:

@Kimberly Georgeton the Mock Trial group is meeting on Sunday. And this is an open Affidavit Q&A forum and I believe the State Call recording was stopped.

20:30:22 From Gary to Everyone:

Make Public record of any un rebuted. Since they are corporations any noticed properly has to post/record your record. Get the corps to notice the corps.

20:31:10 From Cristina to Everyone:

Excellent question! We definitely need to look into that

Outreach = recruiting movement

20:50:11 From Cristina to Everyone:

Sheriff's Departments basically everywhere will allow you to file a "report of possible criminal activity," and you include whatever physical papers as proof. This does not mean they will DO anything about it, but your statement is automatically considered Evidence. Whatever Deputy is there to take it out of your hand signs it as a witness of your filing the report. They'll toss it in a file and forget pile but it IS legal evidence at that point.
