GROUP CHAT (VERBATIM)

19:10:53 From Ross Marley : Questions for Aldo: 5th Amendment - Why the 5th?

19:13:33 From Cristina : My 2 questions 1) what is his plan for dealing with the Coroner if (when?) they try to remove him from office for threatening the de facto status quo, and 2) How does he intend to bring the Clerk of Courts and the Coroner into Constitutionality?

19:14:14 From Ross Marley : Question 2: Changed document - removal of threats, etc. Will Aldo modify his process?

19:16:54 From Ross Marley : Question from Ross: Aldo, do you know about "The Sovereign's Way? Do you know about the Private Attorney General"?

19:18:55 From Cristina : Reacted to "Question from Ross: ..." with 👍

19:19:26 From Ross Marley : Leading question from Ross: Do you know where the people of Virginia get their power? I have the answer and I want to express that the answer is the foundation for all of our efforts.

19:22:20 From Ross Marley : Be right with you, Aldo. Welcome!

19:41:24 From Cristina : We don't want to be IN the de facto courts anyway so we are the claimant. They refuse to give us a court of claim.

19:42:43 From Charley : this I know

19:50:04 From Michael Taylor : Give me 30 to 60 seconds to step out of the room and I will ask a question

19:50:39 From Michael Taylor : Maybe 15 seconds

19:50:48 From Cristina : Reacted to "Give me 30 to 60 sec..." with 👍

19:58:06 From Charley : yes this is all well and good, except that literally anything that is done in any court is unconstitutional and will disappear when the constitution is brought back up and the corporation from the fed, state, county, and incorporated city level all must go

19:58:19 From Ross Marley : Reacted to "Maybe 15 seconds" with 👍

19:58:40 From Keith Mauger : Reacted to "yes this is all well..." with 👍

19:58:41 From Cristina : Troy (Preble County) Maxell's work from the last presidential election gave us solid evidence and the groundwork for that election fraud accusation. The United States Attorney for the Northern District of Ohio is David M. Toepfer was appointed to this position on July 23, 2025. The Northern District of Ohio serves 40 counties in northern Ohio. The main office for the U.S. Attorney's Office is in Cleveland, with additional offices in Akron, Toledo, and Youngstown.

19:58:43 From Charley : he is correct

20:00:43 From Charley : please put the link here

20:01:04 From Cristina : standby, Charley...

20:01:14 From Charley : <https://restoregrandjuryrights.org/>

20:01:22 From Cristina : Reacted to "https://restoregrand..." with 👍

20:01:35 From Charley : ok was hoping it was not a copy cat site

20:01:48 From Cristina : Michael has his hand up

20:01:50 From Keith Mauger : i am not a citizen or people, i am a man

20:02:02 From Charley : these are all statutes he is talking about

20:02:14 From Keith Mauger : Reacted to "these are all statut..." with 👍

20:02:20 From Charley : all in their game still

20:02:36 From Keith Mauger : Reacted to "all in their game st..." with 👍

20:02:37 From Charley : kinda confused at what he thinks this is supposed to do

20:03:13 From Charley : maritime law way

20:04:04 From Charley : the corruption started in 1871 when the country turned into a corporation

20:04:14 From Cristina : Reacted to "the corruption start..." with 👍

20:05:00 From Charley : any so called law that is repugnant to the constitution is unconstitutional period

20:05:05 From Charley : am I missing something

20:05:12 From Cristina : Reacted to "any so called law th..." with 👍

20:05:24 From Charley : I know I am new to these meeting but am I missing something

20:06:49 From Cristina : Replying to "I know I am new to t..."

You're not missing anything, Charley. We have discovered through multiple attempts/experience what the de facto is going to ignore so we are looking for other ways to get our point across.

20:07:57 From Ross Marley : There is an idea that is percolating from many... A non-government body needs to exist to check the government. Aldo has ideas. OSJA has ideas. Rod Class has ideas. All these ideas lead to the same end. Dialogue is needed for a synergy that will result.

20:07:58 From Cristina : So we need small ways that 'afraid general public' can take action to enforce our sovereignty.

20:08:23 From Cristina : Reacted to "There is an idea tha..." with 👍

20:09:01 From Cristina : We need an organized effort that the masses can dip their toe in the waters without losing it.

20:10:03 From Charley : I have this friend who I have been poking for 5 years now on the corruption and sheer sickness in government. I saw him this morning he finally came around to think of things like he should

20:10:04 From Ross Marley : Replying to "We need an organized..."

I see Aldo has initiated a recruiting effort unlike any we have seen up to now.

20:10:19 From Cristina : Reacted to "I have this friend w..." with ❤️

20:10:33 From Cristina : Replying to "I have this friend w..."

Invite him next week onto this call. Same link.

20:11:06 From Charley : it took 5 years and all of the other things being pointed out in the "news" he is slowly coming around. And he asked how we can move forward without the government

20:11:15 From Charley : he might be ready for an intro to this

20:11:50 From Cristina : Reacted to "he might be ready fo..." with ❤️

20:12:23 From Charley : Cristina you need to come to my meeting next week I am presenting

20:15:06 From Charley : that is called black mail

20:15:35 From Michael Taylor : Replying to "that is called black..."

Right on Charlie

20:16:16 From Charley : we do not need government at any level man

20:16:22 From Charley : it all MUST GO

20:16:27 From Charley : period

20:17:48 From Charley : I grew up with a buddy his dad was Cuyahoga Sheriff for a number of years. He was a really great Sheriff. He got booted because he was a literal constitutional sheriff. They almost ruined his life because he was not going to give up

20:17:49 From Ross Marley : Government = to rule the mind in Latin. People are to rule their own mind and not fall for the BAR's trick to think they are not capable.

20:19:04 From Michael Taylor : Someone please save the chat at the end and maybe now, in case not remembering to do it at the end.

20:19:23 From Cristina : Reacted to "Someone please save ..." with ❤️

20:19:36 From Charley : I have another friend who is a lawyer. I have had several conversations with him about constitution and such. And that last conversation I talked about the BAR and he being treasonous to the country for taking the BAR. He was shocked at what I said and truly understood we are under british maritime law and not constitutional law

20:19:52 From Cristina : Replying to "Someone please save ..."

Always do. I will include the verbatim chat in the minutes, like I do with Grand Jury meeting notes.

20:19:53 From Charley : he listened and was shocked at what I said lol

20:20:29 From Keith Mauger : Reacted to "he listened and was ..." with 👍

20:23:35 From Charley : it is my understanding that there are two true constitutional courts but they are not physically in the 48 contiguous states one is in the US VI and another in GUAM if I remember correctly.

20:24:13 From Charley : you can take a judge and lawyer to there for complaints and lawfare. I need to look back and find my info

20:26:15 From Charley : so the stuff Trump is doing is using their system against them. Using their statutes and codes against them putting them on the chopping block as they have to many of us. But the other points is once the cat is out of the bag and people FINALLY understand we are under British Maritime Law and even their jail times are null and void lol I kinda confused at what is really going on

20:30:59 From Ross Marley : Iron sharpens iron.

20:31:08 From Cristina : Reacted to "Iron sharpens iron." with 👍

20:39:58 From Beverly Welbourne : how is it decided who is in the grand juries?

20:40:29 From Charley : just be consistent in all of what OSJA does and thus you have authority

20:40:29 From Cristina : Reacted to "just be consistent i..." with 👍

20:41:20 From Charley : you cannot get these people caught up in their own system because once the BML is gone then their judgement is gone

20:41:33 From Cristina : I have an urgent matter I need to attend to. I will look forward to call/emails from you all to set up this next discussion.

20:42:41 From Charley : indeed thanks for joining

20:43:02 From Charley : right on
