## **Old Business**

- I. Certification of minutes from previous meeting –minutes were available from last week’s meeting (10 02 25) were unanimously accepted onto the record as read.

- i. Abstain (1), Nay (0), Yea (6);

- II. Reports

- a. Officers –

- Keith (Treasury) No comments at this time; Keith’s connection is shaky so Cristina proposes we defer his report until next week when he’s not on mobile. Kat seconds the motion.

- i. Beverly (Grand Jury Commission) Recap of last week’s face to face get together and the high value of such gatherings is discussed. Both Cristina and Michael defer their Public Affairs/Education aspects of the GJC gathering to Beverly for summary reporting. Update is also made on current projects of the Grand Jury. Beverly expresses her vision that the general population needs a better understanding of their (potential) role as jurists. It is concluded that Michael and Beverly will work together to develop a training model for all grand juries to utilize when reeducating mankind on the rights/responsibilities toward common law protections of one another. Ultimately, “The Grand Jury is the fourth branch of government” is the guiding principle. The Bilateral Social Compact acts in common law as the “City Charter” acts under maritime codes/statutes.

***Please see recording.***

- b. Boards - (no boards of review active at this time)

- c. Committee Chairs –

- i. (Education) Michael - See Officer Report, above.
      - ii. (Public Affairs) Cristina reminds that the Grand Jury Board(s) of Review act as “the grand jury oversight committee” that is being referred to by Aldo DeBelardino. There are a number of matters before the general assembly at this time, Cristina yields to those on the call to present their personal matter(s). Kat summarizes the current status of the group off grid healing community/hemp processing plant project. County Bilateral Social Compact project being worked on by Keith and Cristina is not yet ready to bring a report to the assembly; request for opinions and input is made to the general assembly. See recording.
