

Ohio State Jural Assembly
Grand Jury Commission
Saturday, November 01, 2025

As recorded by Cristina, OSJA State Secretary

GOAL: exist in peace, eliminate controversy, restore honor, operate wholly in the private.

Important details not written herein are to be gleaned from viewing the recording of this discussion.

THESE MEETINGS ARE NON-POLITICAL, NOT RESTRICTED TO MEMBERS OF ANY SPECIFIC ORGANIZATION OR RELIGION; CONTINUITY OF EXISTENCE FOR THE LAWFULLY DE JURED OHIO STATE JURAL ASSEMBLY IS A SECONDARY FOCUS.

This training is designed to educate all men and women on the land in ways to retain sovereignty, become self-governing, embrace common law and the traditional morals and ethics where every man and woman has equal Right AND Responsibility toward themselves and all mankind.

The foundation of this is that there are only two laws given purely by God to mankind – do no harm and do not trespass.

Our purpose here is to maintain continuity of OSJA, practice and prepare for common law activities; these ‘minutes’ act as the active component of the Ohio State Jural Assembly jurist training ‘handbook’ by application(s).

Common Law (‘Law of Mankind’): The historically known system of God’s law all the way back to including, and preceding the Magna Carta and it’s associated like-minded documents. All express the will and intent of the living man/woman toward the greater good of mankind. NOT CODES AND STATUTES OF DEAD CORPORATE ENTITIES (“citizen”, “person” etc.).

Peer: one who shares sufficiently similar knowledge and experience as the bringer of the claim such that they can be considered like-minded to an extent where fair and equitable evaluation and adjudication can be reasonably expected.

Presentment: The accusatory document provided by the Grand Jury based on it’s own investigation of alleged criminal acts (“trespass harms”). <https://juralassembly.org/2025/04/Common-Law-Grand-Jury-Presentment-the-what-and-how-of-it.pdf>

Today's discussion

- I.** Composing a response to local municipality regarding the issuance, to the strawman listed on the registration of a traveling machine, of a demand for monetary compensation based on the use of an unmanned traffic camera.

This is a violation of ORC as modified by the Ohio 2025 Transportation Budget provision, enacted by the State House and Senate on July 1, 2025.

“The prohibition on unmanned traffic cameras in Ohio is primarily governed by Ohio Revised Code (ORC) Section 4511.093, as amended by House Bill 54 of the 2025 transportation budget. This law, effective July 1, 2025, bans counties and townships from using automated speed enforcement devices. Key statutes involved include:

- ORC 4511.093: Prohibits counties, townships, and their representatives from using traffic law photo-monitoring devices (e.g., automated speed cameras).*
 - ORC 4511.096 to 4511.0912: Outline strict conditions under which cities and villages may still operate cameras, including the requirement for a law enforcement officer to be physically present during operation.*
 - ORC 2935.26: Governs procedures for issuing traffic citations when a violation is directly witnessed by an officer.*
- The ban was implemented to prevent revenue-driven enforcement and ensure accountability in traffic monitoring.”*

LENGTHY discussion illuminates MANY important points of Constitutionally protected rights, common law and maxims of law to include in the reply from a man to the man who do sometimes act as policy enforcement officer, which each living (wo)man must embrace to stand on and refuse to yield jurisdiction to A MACHINE.

Please see recording.

Reminder that each man/woman who presents evidence in any claim should kindly complete their own (3 sentence maximum) summary for inclusion in the final presentment; assignments on the remainder will be forthcoming via email from Beverly.

Conclusion: Each participant and those reviewing these meetings after the fact are asked to extract information from the study materials, along with each aspect we have discussed, with an eye to making the language of the texts we are reviewing more generally understandable, the idea of juror participation less complicated/more modern-day understandable to the general population. All suggestions and comments should be forwarded via email to comsec@ohio.juralassembly.org for distribution to the correctly responsible member of the GJC.

Everyone participating in these calls, reading the minutes and watching the recordings is called to action in recommending any source of additional guidance and information that could help us be more effective!

Resources shared during this conversation –including potential health supporting efforts we can take on our own behalf.

- See updated listing at the end of these notes.

Written minutes, the recordings of these calls and links to future meetings will be posted on the website, the Telegram social media page, and forwarded to the email addresses provided to the Grand Jury Commissioner.

Meeting Chat – Verbatim

10:13:43 From Ross Marley : Replying to "Ross can you please double check the video link on the website for last week's recording is working now?" Link is good!

10:18:49 From Cristina : I recall they were his vehicles but neither had a current registration

10:20:12 From Cristina : We asked and he said he had not received any notice. I questioned that because if they were on a city street they SHOULD have at least gotten tickets on the windshield.

10:25:55 From Cristina : He's a PERFECT example of the audience we need to be skilled at serving!!

10:26:03 From Keith Mauger : Reacted to "He's a PERFECT examp..." with 👍

10:26:10 From Cristina : He (Aron Spiegel)

10:28:24 From Cristina : Abandonment = 30 days without any owner attention or attempt to interact with the property
(This, from Ohio Landlord/Tenant Law)

10:30:31 From Keith Mauger : keep in mind, the state owns the vehicles.

10:32:03 From Cristina : MFG CERTIFICATE OF ORIGIN is the only paper that replaces the title registered under a state corporation

10:45:05 From Keith Mauger : did it cause a accident

10:45:25 From Keith Mauger : was a man hurt

10:45:56 From Keith Mauger : they have to pay for the equipment

10:46:37 From Ross Marley : Image shows median. The pole in the median has a camera. Did the explosion a few years ago affect the automated traffic enforcement camera? <https://www.wkyc.com/article/news/local/cuyahoga-county/i-schumann-foundry-explosion-federal-investigation-oakwood-village-bedford/95-ca7fc50c-ba42-4333-ae6d-b61a7c43d99a>

11:05:11 From Ross Marley : “,,Walton Hills, Ohio, previously operated an automated speed enforcement program with cameras at locations like Alexander and Noddington, and Alexander and Independence. However, Ohio law now bans automated speed cameras in counties and townships, but villages and cities can still operate them under strict conditions. Recent state records show Walton Hills generated significant revenue from fines but was due a small amount from the state.

Past Program: Walton Hills previously had an automated speed enforcement program that used cameras to issue citations by mail for speeding violations.

Current Ohio Law: As of June 2025, Ohio law bans counties and townships from using automated speed cameras. However, cities and villages can still use them, provided a law enforcement officer is physically present when the camera is in operation.

Previous Fine Revenue: The village previously reported high revenue from automated speed camera fines, though much of that was not paid to the village itself due to agreements with the...”

11:46:13 From Ross Marley : Ohio legislators are currently considering a bill, House Bill 206 (HB 206), which would establish a state transactional currency backed by gold and silver. The bill aims to allow Ohio residents to use this system as an alternative to the U.S. dollar.
