To the best of my ability, I will perform and fulfill jural assembly responsibilities, both explicit and implied, and, support and administer *the law of the land* with utmost respect to mankind; at all times faithfully, peacefully, honorably and never contrary to the Laws of Almighty God; preferring none by envy, malice, covetousness nor ill-will; leaving no one misrepresented out of fear, favor, or enticements; Investigating, without restraint, every matter that may have been brought forth unto me in such capacity; holding counsel and deliberations in strict confidence at all times for the protection of the People;

I shall never coerce any member of mankind into consenting to subjugation, nor contracts not of their voluntary and knowledgeable making, or which do not contribute to their overall welfare and benefit;

I vow to educate myself to aid all mankind, one by one, in ways man or woman can peacefully attain just equitable remedies, and, through every honorable means re-take and retain their God-given, unalienable right to self-jurisdiction in all matters: spiritual, physical, and mental,

Declaration of Independence Cir. 2021

In accord with the 1776 unanimous Declaration of Independence

"When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation".

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights that among these are Life, Liberty, and the pursuit of Happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed. That whenever any form of government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and accordingly, all experience hath shown, that mankind is more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evidences a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new guards for their future security. Such has been the patient sufferance of these States, and such is now the necessity which constrains them to alter their former system of government. The history of the present Federal Government Corporation is a history of repeated injuries and usurpations, all having in direct intent the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

We the People, therefore in, Ohio State Jural Assembly, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Free and Independent States in perpetual union, solemnly publish and declare:

That these united States are, and of Right, Free and Independent States; that they are Absolved from all Allegiance to the Federal Government Corporation (including all foreign powers to this Republic cir.2020) and that all political connection between them and all foreign powers, is and ought to be totally dissolved; and that, as Free and Independent States in perpetual union, they have full Power to levy War, conclude Peace, contract Alliance, establish Commerce, and do all other Acts and Things which Free and Independent States in perpetual union reserve the right to do.

And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other the protection of HAPPINESS, PROSPERITY, LIFE and LIBERTY.

Declaration of Unalienable Rights held by Inborn Power

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all Devine spirited being are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. A free and independent state is established when one people join together in a common unity to secure their natural God-given rights. To secure their right to life, liberty, and the pursuit of happiness, governments are instituted among men, deriving their just powers from the consent of the governed; to be exercised by elected officials as surrogate power for the free and independent nation-state, Ohio State.

When surrogate power officials assume the rights of Inborn Power as supreme; a free and independent state inverts into a state which usurps the unalienable Rights of the people and they become mere subjects of mandatory conformity, victims of suppression of natural rights and tyranny. Corrupted surrogate power has no inborn authority of its own, therefore, I declare by Almighty God in peaceable One People Assembly:

Covenant Affirmation

I am created equal to all men and women with unalienable Rights held by Inborn Powers. I solemnly affirm, publish, and declare;

I am absolved from all political allegiance foreign to this free and independent state. With a firm reliance on the protection of Divine providence, in One People Assembly; I affirm:

I am local to Ohio State, a Free and Independent state; lawfully settled in _____ County Settlement. and in Order to form a more perfect Union, establish Justice, ensure domestic Tranquility, provide for the common Defense, promote the general Welfare, and secure the Blessings of Liberty for our Posterity and our free and independent nation; I consent to uphold and keep the Peace or delegate power to the local county settlement and to Ohio, a Free and Independent nation, for the lawful Protections, Freedoms, and Rights of the people in these free and independent nations. In support to this Declaration, with a firm reliance on Divine Providence we pledge to each other the protection of HAPPINESS, PROSPERITY, LIFE and LIBERTY.

By autograph under Witness Protection my Declaration of unalienable Rights held by Inborn Power is supreme, holding and reserving all unalienable rights and jury nullification intact. This declaration autographed by settlor/grantor/beneficiary with reservation of all rights.
