i: keith mauger: a man; do claim harm resulting from “vaccine” shedding, also known as horizontal transmission;

i, do affirm that you, through participation in the county district advisory committee, are responsible for such distribution and availability;

losses due to shedding include:

anxiety, stress, health issues, greif over loss of connection to soulful companions;

concern of great potential for disease due to dna damage;

existential disquietude over potential loss of identity due to dna degradation;

i, do affirm that i did not and do not consent to the entry of nanotechnology and other “vaccine” toxins into my cells or body;

i, do affirm that such entry does violate my religious values

and constitutional beliefs ;

i, bring forth the current knowledge that all serums labeled "vaccine" have great potential to cause great harm, including damage to the bioelectric energy systems of all living beings and to the human genome;

i, do require that you cease and desist all distribution and availability of mrna nanotechnology "vaccines", and remove all information and advertizing on your website, all hospitals, doctors offices, clinics remove and held for evidence all "vaccines" on fairfield county;

i, do seek remedy for the above mentioned harms, in the amount of ten thousand oz of silver plus one-hundred oz silver per day that the availability of these injectables continues.
