steve davis

fairfield county commisioner office

210 east main st

lancaster, ohio

to the man: steve davis; who sometimes acts as fairfield county commissioner and district adivory member:

in the sacred dance of the earth, moon, sun, planets, and stars...the tide goes out;

i: keith alan mauger: a man; do state:

i, have no claim against the corporation called fairfield county government, nor against any insurance company nor insurance agent;

i, do claim trespass by way of harm and trespass by way of debt against you, steve davis: a man or a transhuman; and this claim does stand under law, unanswered;

no communication from a third party can absolve your lawful obligation to cease the trespass and resolve this debt; and no such unrelated communication is welcome;

opinions of those who sometimes acts as insurance adjuster

or british accredited registry members are not relevant to the lawful status of the claim;

the debt does increase daily while the trespass continues;

as fairfield county does sorely lack a court of common law, where a jury of man and woman who qualify as peers could verify the claim, thereby ending any controversy and restoring honor to all;

i, did seek the assistance of a review board composed of twelve of man and woman of the ohio state jural assembly; said group is not associated with the entity known as ohio state government;

reply to i is prefered, if you would like to submit rebuttal directly to this board, you may do so to: beverly j welbourne, 11223 cornell park drive, suite 302, blue ash, ohio or the lawful ohio state jural assembly, post office box 670042, Northfield, ohio 44067;

if you would like to assemble a second board of review or petit common law jury within fairfield county under sheriff alex lape for the purpose of resolving controversy, i, shall be most keen to present the claim there, provided that:

to best protect i and those of man and woman who will serve to witness and/or present evidence:

no man or woman who serves as jurist, court officer, or attendant, shall have been injected with a “vaccine,” since the october 1, 2019;

similarly, no one who has been nasal swab tested, during the

same timeframe, allowed in court;

no british accredited registry member, except he or she be there in the capacity of a man or woman;

no wireless or bluetooth communication devices of any kind shall be permitted in court, whether powered on or not;

persons who are vaccinated may attend via zoom, skype, or the like, signal to leave the court by ethernet cable;

all evidence offered shall be available to the jury; that is, no third party may screen the evidence; this evidence to include oral and written statements from man and woman of the ohio state jural assembly review board;

i, shall not consent to further or increased exposure to the combination of vaccine shedding and toxic radiation while pressing a claim regarding vaccine shedding and toxic radiation;

if the man, steve davis, permanently vacate public office within seven days of this notice, march 6, 2019, this shall be accepted as remedy, and debt forgiven;

repeated failure to respond appropriately, i, shall continue to seek both earthly means of collection, and divine intervention;

i, do affirm, with firm reliance upon divine providence: this travesty against all life shall be stopped;

in the sacred dance of the earth, moon, sun, planets, and

stars...the tide comes in.

i do state here and shall affirm in a lawful court before a magistrate the forgoing to be true and complete to the best of my knowledge and understanding
