austin richard lines

assistant prosecuting attorney

239 west main street

suite 101

lancaster, ohio

greetings to the man: austin richard lines; who  
at times acts as assistant prosecuting attorney;

i: a man: keith alan mauger; write to you today  
in response to your recent correspondence;

while your communication to i, dated april 3,  
2025 cannot fully be considered "tortious  
interference," as i, the man, have made claim of  
trespass by way of harm under common law,  
your involvement in this matter is unwarranted

and unlawful;

z

as an oath-sworn member of the british accredited registry, you are an extraneous foreign interloper into the private matter between i, the man, and the following: r joseph ebel: a man, who at times acts as fairfield county health commissioner; don mcdaniel: a man, who at times acts as mayor of the city of lancaster; steve davis: a man, who at times acts as county commissioner;

crystal warner and tina childers have renewed their honor and are no longer included in this claim;

a man, taking a title, becomes responsible for the actions of that title; if a man with such title does stray from honor in his actions under that title, that man must be held responsible for the actions of that title;

it is crucial that the record be corrected

regarding the man: austin richard lines and the  
man: r kyle witt in their intentional  
misrepresentation of the notice of i: any  
implication that any corporate agency has been  
named or accused of anything, or is being  
pursued for any reason, is utterly false, and, as  
such, the language of i: a man; has been twisted  
by one or both of you; do you wish to  
implement barratry, attempt extortion, trespass  
upon the claim, or interfere with efforts of a  
man to exercise God-given rights?

a review board consisting of peers has verified  
the claims of i: a man, against the man as listed  
above, in the effort to eliminate controversy  
and return mankind to honor;

should austin richard lines: a man, have further  
confusion about this situation please reach out  
to i.
