in re: demand for court

greetings to the man or homoborg genesis: branden c meyer;
who at times acts as fairfield county clerk of court:

i: a man: keith alan mauger; say: when those of
mankind or others do trespass on the rights of i; comes time
to come forward as a man, present in honor, to seek remedy
of trespass between such and i, the man, in this instance: r
joseph ebel: a man or a homoborg genesis, who sometimes
acts as fairfield county health commissioner;

previous communication has delineated requirements of
court; a situation which would further harm i, or those of
man and woman who wish to testify regarding this claim will
not suffice as lawful court;

this claim is not a tort, suit, complaint, accusation;

i: a man; take no title or label such as plaintiff, pro se, citizen,

human, person, claimant, all-caps strawman; i, will not be appearing, representing; nothing shall diminish the status of i: a man; again, i, do give fair notice that i, will be present at court simply as a man, to press claim;

i, do here present evidence to support the claim; man and woman stand ready to testify in support of the claim at court; others who are geographically distant are keen to testify over zoom; and, silence by agreement on the part of the debtor is already sufficient under law;

if all magistrates on fairfield county are covid injected, and therefore unqualified to verify the claim, please communicate such in writing; and if said magistrates do recuse themselves for other lawful reason, please describe, with a wet signature;

your lack of response to previous notices has and does deny i: a man; access to the court; such action is unlawful; i, do here give notice of trespass by way of denial of access to court; the remedy which i, seek is access to court;

i, am amenable to referral to other lawful court of record;

i, do not wish for judgment, only verification of a claim which currently stands under law;

the claim may not be dismissed;

changes to this claim or references to it which change its lawful status will be seen as trespass;

please send summons to: r joseph ebel, 235 Trail Court, Newark, Ohio 43055;

you may contact me at: keith alan mauger, 395 blue valley road southwest, lancaster, ohio; keithmauger740@gmail.com; 740-215-2473.
