

## **second notice**

january 18, 2026

greetings to James N. Bahnsen: a man; who sometimes acts as fairfield county treasurer:

i: keith alan mauger: a man; do notify you that ongoing taxation without representation on ownership of land is unlawful under common law, common ethics, common sense, and does cause hardship and therefore harm to i, and to those in the care of i;

do you: a man; claim that i: a man; owe a debt to you?

do you; a man claim that i: a man have a contract?

please provide an itemized list of services provided or explain what you believe has caused this alleged debt; i, recall no contract under which you might make such a claim;

or, please identify the man or woman who claims that i, do owe a debt; if such a man or woman exists, and the claim can be verified, then i, shall offer remedy to him or her;

please note that this “bill” does appear to be an attempt at extortion or theft of property; is such your intention?

i: a man; do claim ownership and occupancy of the land in care of i, commonly known as: 395 blue valley road sw, 961 kinzler ave, with lot 16 and 3950 b.i.s.road sw;

your "bill" is addressed from an all-caps fictitious character with a title to an all-caps fictitious character; it describes no lawful debt between man and man;

are you in fact a man, fully able to exercise the rights and uphold the responsibilities of a man? or are you homoborgensis, property, agent, with a title of a corporation?

the verification of a claim which is in controversy would require your presentation of convincing evidence to support such claim before a common law jury of man and woman who are peers of i; and such jury would, under common law, be forbidden from harming man or woman while examining evidence and executing due process of law;

are you prepared to provide such evidence to such jury?

i, do ask: is the term "real property" a fabricated term, used in attempt to gain leverage over the property of i? if not, please explain;

please respond in detail to all above; or, please cease and desist this apparent attempt at extortion, theft, or other harm of i; i, do and shall consider lack of appropriate written response as admission that there is indeed no verifiable claim or contract;

i return these "bills" as i have accidentally opened;

i do ask, that you as a man read on this subject;  
i, do seek peacefull remedy; it is you who bear the  
consequences of any wrongdoing, not i;  
notice to agent is notice to principle,  
notice to principle is notice to agent

thank you in advance for your honorable decision.

without prejudice UCC 1-308 :
