II. Reports of Officers, Chairs and Committees

- a. **Treasury.** Keith: received several packages of pre-addressed, stamped envelopes for his BOH claim but no total amount has been calculated. Report to be given next week.

Reminder: Expenses directly related to conducting the business of the Assembly NEED to be reported in writing to the Treasurer for inclusion in the public accounting report, *whether the member is seeking reimbursement or not.* As we grow, the transparency of this process may come into question if we are not meticulous in recording, for example, real value of donated efforts, materials, etc. Monies voluntarily offered to help reimburse for necessary operating costs should be forwarded directly to the person who made the purchase on behalf of OSJA.

III. Tabled Topics from previous meetings

- a. Michael brings up his concern over the areas of our Bylaws where he feels language perfection may be needed. Discussion regarding use of the potential controversial word ONLY in the phrases within the Bylaws "...two God-given laws..." is had. Motion is collectively drafted to read as follows:

MOTION: made by Michael; seconded by Keith;

It is proposed to change Bylaws language to remove the word "only" when referencing God's laws to say "...foundational truth *in* the two God-given laws - mankind shall do no harm and do no trespass" in the two places it now appears.

Vote : Nay – 0, Abstain – 0, Yea – 6;

The motion carries and shall be implemented and incorporated into the Bylaws immediately.

No new business was discussed this evening in the interest of respect for time.

18:25:26 From Keith Mauger : yea
18:32:23 From Cristina : Any man or woman who does trespass or intent to harm is subject to receiving a petition for redress of grievance - our grievance being comply with the laws
18:42:04 From Cristina : Does Anyone Else have any commentary?
18:42:40 From Keith Mauger : I think it is more readable and orginized
18:42:53 From Cristina : Reacted to "I think it is more r..." with thumbs up
18:43:02 From Ross Marley : Reacted to "I think it is more r..." with thumbs up
18:45:12 From Cristina : Donation Link
18:45:24 From Cristina : Replying to "Donation Link" <https://blacksite32.com/donate>
18:47:52 From Michael Taylor : The language change that I propose is "...two laws given by God for relations between members of mankind: do no harm and do no trespass...."
18:52:49 From Cristina : Change Bylaws language to remove the word "only" when referencing God's laws to say "...foundational truth in the two God-given laws - mankind shall do no harm and do no trespass"

18:52:50 From Douglas Delia : I lean more toward less specifying language than more; even mentioning "God-given laws" borders on violation of the constitution and therefore the JCO
18:55:38 From Cristina : We use the term "God given" instead of Creator Endowed (aka inborn) because it flows better; all the Bylaws language refers to the Creator of your understanding and never a specific religion or particular God. Without a higher power (God of some kind) man's morals and ethics collapse into whatever serves the self.
