**from: i: a woman; cristina marni delia; present notice to provide remedy to the Macedonia Mayor's Court, their
case 22 CR B 00201, dated September 9, 2022, file attached;**

**i, state that: dave yost, frank larose, nicolas molnar, santo thomas incorvaia, myra staresina severyn, mark
guidetti, jon golden, annette smith, jason hetrick, maxwell bacher, steven russell, daniel l matejka, and bryan**

vince are bound by oath as public servants with duties and obligations to protect and uphold the god given rights of i, the woman, for the betterment of mankind to include the person and property of i: a living woman;

i, state that: fraudulent criminal charges and unlawful confiscation of personal properties do violations of due process of i; causing grievous harms to the person and property of i, and do serious harms to others in the care of i;

i, state that: it comes to the attention of i, that, santo thomas incorvaia, myra staresina severyn, and annette smith make claim that i, owe a debt towards this case CR B 00201, which was discharged by the offer of the woman, myra staresina severyn, in her private office at or about 12:55 p.m. on September 15, 2022 prior to hearing, the written acceptance of the offer by i, the living woman, cristina marni delia, written and spoken onto the record in open court, and approved with finalizing verbal and readily visible written acknowledgments of the offer by the man; santo thomas incorvaia in open court at macedonia, ohio at or about 1:18 p.m. on September 15, 2022,

i, state that: it is the intent of santo thomas incorvaia, myra staresina severyn and annette smith to cause trespass by harm through continued pursuit of i on the discharged case using harassment and threats of slanderous libel, blackmail, unlawful imprisonment and theft of property against i; and do harms to others in the care of i; that this intention was knowingly, intelligently and willfully entered by speech into the public record in open macedonia mayor's court at about 1:22 p.m. on September 15, 2022 by santo thomas incorvaia when he practiced law from the bench by fraudulently entering a plea on behalf of i: the living woman, cristina marni delia, and when confronted by i on this, the man; santo thomas incorvaia did then threaten to further criminally charge and hold i: the woman in contempt of court;

i, state and repeat that: i acknowledge the woman; sadie sutton, may have, during the course of the period beginning around 1:00 p.m, september 8, 2022 through 11:26 a.m. september 9, 2022, at the location of **Radisson Country Inn and Suites**, macedonia, ohio had occasion,

in response to her repeated and continued badgering harassment of i, where she intentionally and with malicious intent did escalate multiple times over a period of some hours between 8 am and 11:26 am on september 9, 2022,

to recognize that the woman; sadie sutton had set herself up to feel or perceive that i clearly understood her malicious and unlawful intents against i;

that i felt sufficient threats from her against freedom, body and property of i, that i was forced to respond to these repeated and escalated threats and take reasonable lawful measures to protect i and my property from further increased attacks by the woman; sadie sutton, by retrieving and carrying my lawful held personal protection device to escape the woman; sadie sutton and her attempts to physical injure, grand theft and false imprisonment of i;

that said, i, require remedy, and i, have offered request for remedy from the woman; sadie sutton; letter dated september 14, 2022;

i, state that if a verifiable claim for a debt does exist by a man or a woman at this time by i: the woman; cristina marni delia; that i, have \$10.00 per month to pay toward said debt till paid in full without interest; however, any amount more than that will cause i, grievous harm and harm to those in the care of i;

i, ask; is there anything else of value you will accept for payment of a debt that you:

1 claim is true;

2 believe i, owe to you; frank larose, dave yost, nicolas molnar, santo thomas incorvaia, myra staresina severyn, mark guidetti, jon golden, annette smith, jason hetrick, maxwell bacher, steven russell, daniel l matejka, bryan vince, sadie sutton, mister and or missus macedonia, ohio, and mister or missus stow, ohio;

however, that said:

if continued tortious interference, intentional infliction of emotional distress and mental anguish, harassment, slander, assault, unlawful imprisonment, kidnapping, libel, theft by illegal search and seizure, cruel and unusual punishment, blackmail and all other forms and variations of barratry continue by any man or woman against i beyond 30 days from the date of receipt of this correspondence,

should every charge against i not be expunged, personal property not returned, vehicular vandalism not repaired to the restorative satisfaction or appropriate compensation to affect such damage correction not be made to i, written public press release apologies from each man and woman identified here not be published in every local newspaper and official social media website to correct the public record of i: the woman, cristina marni delia,

i, consider that to be trespass by way of malicious persecution with intent to harm, tortious interference, intentional infliction of emotional distress and mental anguish, harassment, slander, assault, false imprisonment, kidnapping, libel, theft by illegal search and seizure, cruel and unusual punishment, unlawful prosecution, blackmail and barratry; and i, would seek the principal value of \$750,000.00 plus \$1.00 per second, remittable only by way of 99.99% pure gold to i: the woman, cristina marni delia so long as the trespass continues beyond 12:00:00 am october 21, 2022 from each: frank larose, dave yost, nicolas molnar, santo thomas incorvaia, myra staresina severyn, mark guidetti, jon golden, annette smith, jason hetrick, maxwell bacher, steven russell, daniel l matejka, bryan vince and sadie sutton;

i, state here and will verify at open court before a magistrate all to be true.
