Reminder: Expenses directly related to conducting the business of the Assembly NEED to be reported in writing to the Treasurer for inclusion in the periodically updated, publicly viewable accounting report, *whether the donating member is seeking reimbursement or not.* As we grow, the accuracy and veracity of this process may come into question if we are not meticulous in immediately disclosing, for example, real value of donated efforts, materials, postage, etc. Monies voluntarily offered to help reimburse for necessary operating costs should be forwarded directly to the person who made the purchase or donation on behalf of OSJA.

- 19:32:08 From Cristina : This is why we send RECEIPTS
- 19:32:16 From Keith Mauger : Reacted to "This is why we send ..." with thumbs up
- 19:36:50 From Cristina : Excellent screen share on this topic, Ross. Thank you.
- 19:37:21 From Cristina : We need to explain all these topics to people like we're all 9 year olds.
- 19:40:48 From Cristina : the living man has ownership instead of THE CORPORATION that issued the SSN, Birth Certificate, all Licenses, etc. having first claim of ownership like the system is set up for us to silently consent to because we don't know any better.
- 19:43:33 From Cristina : Ross, Please take that Google AI propaganda off the screen – it's only summarizing what the majority of online responses say right now on the internet, and rejecting the outliers (like our examples).
- 19:48:33 From Cristina : Can we link the James Lovett video that Keith used to come up with his template for this UCC-1 Lien filing process?

- 19:57:39 From Keith Mauger : "How to properly do a UCC1 Financing Statement: Step by Step Inst. for the "Strawman" Commercial Lien" <https://www.youtube.com/watch?v=QJwDP5kwtJ4>
- 20:00:16 From Cristina : Explanatory statement goes with both the UCC 1 Lien and the Passport application.
- 20:00:35 From Cristina : Citizen = chattel property
- 20:03:07 From Cristina : So with this UCC 1 Lien explanatory statement, we are telling them, in their own language that they can't argue against, that all those licenses, accounts, certificates, (ad nauseum) exist to benefit the living man NOT THE CORPORATION.
- 20:03:15 From Ross Marley : A judge in a courtroom will weave in and out of jurisdictions. We at OSJA express that it is important to recognize the jurisdictional references and remain in your square... in that court room. UCC-1 applies this principal when we need to stand in our square outside of a courtroom in maritime-type jurisdictions such as banks, bureaus, corporations et cetera.
- 20:17:24 From Cristina : 10' x 3' banner with all the American flags in progression
- 20:23:48 From Cristina : Key words - Liability and Requirement
- 20:24:01 From Keith Mauger : income?
- 20:24:09 From Cristina : Reacted to "income?" with thumbs up
