Dear Mr. Mauger,

Our office is in response of the requests you sent to the attention of Ashley Mason, Olivia Westhoven, Gale Neville, and Joe Ebel dated September 24, 2026. Our office has reviewed all four requests and determined that they are requests for information rather than public records requests. Political subdivisions are not obligated to respond to requests for information under Ohio Revised Code 149.43. To the extent that your requests are not requests for information, our office is denying your request for not having any records responsive.

Please let this response serve as satisfaction of all of the requests dated September 24, 2026, as described above.

Sincerely

A handwritten signature in blue ink, appearing to read "Jamie E. Ehorn".
