II. Reports of Officers, Chairs and Committees

a. **Treasury.** No official report given this evening.

- The **website hosting fee** remains unpaid as we are awaiting all participants' contributions. Please note this fee is due annually before October 1st. Although the equitable split between currently participating members was agreed to be about \$65/each, **whatever you can contribute is better than nothing.** Maintaining our lawful continuity of existence requires very few critical components, and retaining our website is one. Please contact the treasurer for details on contributing for this line item.
- Remarks are made that clarify that the **post office box annual renewal fee** was evidently not paid as had been assured by the former Moderator. Until funding is gathered to purchase a new PO Box, correspondence should be forwarded to the state secretary. Anyone willing and able to donate to this section of required business expense, please forward funds to the treasurer for distribution.
- The **Zoom account** difficulties have been worked through; Zoom customer service investigation determined that administrators on that account were taking contradictory actions from one another. A new account has been procured on behalf of OSJA at a monthly cost of \$15 to the general assembly; See updated Zoom link here in the minutes and on the website. Please contact the treasurer for details on contributing for this line item.
- See Treasury report on our website for additional periodic updates and greater details. <https://ohio.juralassembly.org/financial-transparency/>

Reminder: Expenses directly related to conducting the business of the Assembly **NEED** to be reported in writing to the Treasurer for inclusion in the periodically updated, publicly viewable accounting report, *whether the donating member is seeking reimbursement or not.* As we grow, the accuracy and veracity of this process may come into question if we are not meticulous in immediately disclosing, for example, real value of donated efforts, materials, postage, etc. Monies voluntarily offered to help reimburse for necessary operating costs should be forwarded directly to the person who made the purchase or donation on behalf of OSJA.

Email pertinent information, including receipts wherever possible, to:

treasurer@ohio.juralassembly.org

b. Education Committee

- Michael – No report given this evening.
 1. Please visit <https://ohio.juralassembly.org/education/> for regular updates to the [library](#) of recommended reading, [correcting the record](#) for sovereign responsibility topics and [petitioning for redress of grievances](#) for claims by assembly members and associated man/woman.

c. Public Affairs Chair

- Cristina adds remarks to Treasury and Education reports, provides historic and bylaws/RONR context for election procedures then yields her time to others present with local concerns.

d. Grand Jury Commission

- Beverly discusses the current status of the claim against the Fairfield County Board of Health. A comprehensive package to the Supreme Court is set to go out this week with a strategic monetary deposit of funding which will obligate the court to move forward with this claim. Please make time to attend the Zoom meeting this coming Saturday morning to participate in the discussion and hear greater details on this very exciting stage in the process of achieving remedy!
